The salt spreader auger is not working and will need to be repaired. There also has been reported by a resident on Garden Lane that a dead tree is near the electric lines, will contact Kentucky Utilities to see the limb can wait until spring when they will perform all tree trimming or see if this one is a potential hazard and needs immediate attention. Reported a street light out on 717 Meadowlark Drive.

The issue of the back pay for the Police Chief and the effect it was to have on the Police Dept budget by City Commissioner, Jerry Shelton. Since the 5900.00 would completely deplete the Police Dept Account, Water/Wastewater Commissioner moved to make motion that the 3 large departments, city, sewer and water split the \$5900.00 three ways at \$1900.00 each to be deposited. Police Chief stated every effort has been made to locate the owner of 520 Cedar Street, the house that had been recently damaged by a drunk driver. The house will need to be boarded up and we have someone that will work for \$10.00 per hour and will board the house and try to make the porch area as safe and secure to the public. City Commissioner agreed to do so and then if the rightful owners are located they can reimburse the city back the monies spent or a lien can be placed on the home.

Again it was asked when the Christmas Lights will be taken down, we had two people state they would take them down at \$10.00 per hour and City Commissioner, Jerry Shelton stated he did not want to pay anyone to remove them.

Nothing more to discuss.

Commissioner Juanita Pettit made the motion to adjourn, 2nd by Commissioner Chris Sandlin, all in favor, motion carried, and meeting adjourned at 8:00 pm.
